

DNREC – Air Quality Management Section

LEGAL NOTICE

REG. 2 NATURAL MINOR PERMIT APPLICATIONS

Notice has been given that:

<Insert Company Name>, requests a (insert type of permit) permit to construct or operate <insert type of operation or equipment> at their <insert street address, City and County of> facility. The <insert type of operation or equipment> has the potential to emit (PTE) <insert the PTE for each pollutant>. By Permit# <insert Permit Number> actual emissions will not exceed <insert the actual amount for each pollutant>

The application for this permit may be reviewed at the offices of the Division of Air and Waste Management, 156 S. State Street, Dover, Delaware or 715 Grantham Lane, New Castle, Delaware. For additional information or for an appointment to review the application, please contact Joanna Austin at the (302) 739-9402.

A public hearing on any of the above applications will NOT be held unless the Secretary of DNREC receives a request for that application within 15 days from the date of this notice, ending <insert date Advertising Period will end>. A request for a hearing shall be in writing. The request must also show a familiarity with the application and a reasoned statement of the permit's probable impact.

Any comments on an application must be submitted in a letter form. All comments and public hearing requests should be mailed to the following address:
